

EMERGENCY RESTRAINT CHAIR

It's like a
padded cell
"on wheels"

THE LATEST BREAK THROUGH IN SAFETY!

EMERGENCY RESTRAINT CHAIR

- * Safely restrains a combative or self destructive person
- * Allows for safe transportation to court / hospital
 - Does not restrict normal breathing
 - Secures an individual without injury
- * Protects your staff and the person being restrained

- * Completely mobile
- * Sturdy metal construction
- * Comfortable

- * Reduces the need for additional personnel
- * Reduces your liability
- * Easy to use and fully adjustable

You cannot afford to be without the
EMERGENCY RESTRAINT CHAIR
